

AF/BA

Docket No.: 2923-335

NOTICE OF APPEAL FROM THE PRIMARY EXAMINER
TO THE BOARD OF PATENT APPEALS AND INTERFERENCES

In re Application of Josef ENDL et al.

Serial No.: 09/441,061

Filed: November 16, 1999

For: ANTIGEN-SPECIFIC ACTIVATED T LYMPHOCYTES, DETECTION AND USE
Group Art Unit: 1644

Examiner: Vandervegt, Francois P.

Confirmation No.: 3812

Applicant hereby appeals to the Board of Patent Appeals and Interferences from the decision of the Examiner dated October 20, 2004, rejecting the following claims: 47-50, 55-58, 82 and 83.

The fee for this Notice of Appeal is \$500.00

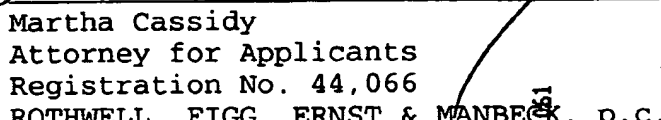

A check for \$500.00 is enclosed.

Applicant authorizes payment of a 1-month extension of time to be charged to Deposit Account No. 02-2135. Because Applicants filed a response after final on December 30, 2004, but did not receive any further action on the case, apparently due to an electronic mis-routing of our response, Applicants believe that only 1 month's extension should be required. If the Office disagrees, Applicants authorize the Commissioner to charge any fees for additional extension of time to Deposit Account No. 02-2135.

The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 02-2135. An additional copy of this Notice is enclosed herewith.

Respectfully submitted,

By

Martha Cassidy
